

Meriton Suites Carter Street

Case Study

Meriton Suites Carter Street, positioned only moments from the sporting and entertainment facilities of Sydney's Olympic Park precinct, features open plan designer suites tailored for large groups and families, with a premium level of luxury design finishes and fixtures throughout.

For the main lobby entrance a record Fullview Series door was selected in a finished stainless steel finish and an extended 600mm high canopy to accommodate the "Meriton Suites" logo being laser cut out of the canopy fascia cladding and illuminated from behind to provide a striking entrance feature at night.

Working with Meriton and the glazing contractor, record was able to modify the design of its curved glass sidewall framing to allow the door to fit seamlessly with the faceted design of the surrounding lobby glazing.
